

# ARCHIPELAGO HONEYCOMB UNBLEACHED SPONGE

## NATURAL SEA SPONGES - BODY CARE CLEANSING

### Description

The archipelago is classic bath medium pore sponge of Mediterranean origin. The sponge is very fine: it has a particularly elastic and long-lasting. The massage of skin and muscles helps to stimulate the circulation. It maintains the elasticity over time. This type of sponge is used in the spa treatments to remove the sludge at the end of treatments. Ideal for cleansing of baby's delicate skin, it's recommended for bathrooms and hydrotherapy treatments.
